DAY 01 Evening Singapore Night Safari

Singapore Night Safari is home to around 900 animals and is classified as the world's first nocturnal wildlife park. See these spectacular animals in a different light, after the sun goes down. Explore six geographical zones on a 40-minute guided tram ride that takes you from the Himalayan hills to the Southeast Asian jungles. Take a walking trail for a closer view of the animal's nightly rituals, including Sri Lankan leopards studying their spots, and fishing cats hunting their prey in the river.

DAY 02 Singapore City tour with Sentosa Island Guided City Tour of Singapore

See all the essential sights of Singapore with in depth commentary of our licensed guide. Drive past Little India, Dhoby Ghat and Orchard Road, drive through the CBD and Civic District to stop

at the Thian Hock Keng Temple for a picture.

Proceed to the Marina Area to take an Instagram worthy photo of the Merlion. You have the option to ride the river cruise. Tickets can be purchased on spot from our guide. You will be dropped back to your hotel.

Sentosa Island -

See the Lion City a little differently as you cruise from above all the way to Sentosa Island with a return Singapore Cable Car Sky Pass from one of the city's tallest hills - Mount Faber. The journey on the Singapore Cable Car Sky Network takes you on the Mount Faber and Sentosa Line.
